2. DIVIDEND

Your Board of Directors are pleased to recommend a final dividend of Rs. 2.25/- (225%) per equity share of Re.1 each for the financial year ended March 31, 2014. The same, if declared at this annual general meeting will be paid to those shareholders' whose names stand registered in the register of members as on August 09, 2014. This dividend is tax free in the hands of the shareholders.

3. BUYBACK OF EQUITY SHARES

Your Company concluded the ongoing buyback of its fully paid-up equity shares of Re.1 each, on August 16, 2013. During the said period, the Company has bought back 5,087,343 equity shares of Re.1 each and the total outlay for the buyback was Rs. 4,651.17 lacs. All the equity shares bought back in the buyback offer have been extinguished as on August 31, 2013.

4. PHARMA INDUSTRY- OVERVIEW & OUTLOOK

The global pharmaceutical market is dominated by USA, which accounts for about 28 percent of global sales followed by the European Union, accounting for nearly 15 percent, and Japan for 12 percent. Together, these three markets represent nearly 55 percent of the global market. The global pharmaceutical market is expected to grow at a Compounded Annual Growth Rate of 6.5% throughout the year 2014.

The Indian Pharmaceutical Market grew by 6.2% to touch the market size of Rs.75,727 crores, during the year ended March 31, 2014. Around 1,603 products were introduced during the year (Source: AIOCD Pharnasofttech AWACS Private Limited- Moving Annual Total Turnover- March 2014).

5. OPPORTUNITIES, THREATS, RISKS & CONCERNS

Your Company has launched two new divisions namely Pixel and Dil Se. The Pixel division will exclusively cater to Ophthalmologist with premium range of Ophthalmics. Your Company, being pioneers in Ophthalmological, Pixel is an initiative to regain the Company's leadership position in Ophthalmology in India.

The Dil Se division will primarily cater to the growing Cardio-diabetic segment with an aim of putting patients at ease. Their major brands being Zivast, Zilos and Ziglim.

Your Company expects that the changes made in the business model will improve our ability to act vigorously and cohesively as an organisation and attract the right talent and address the needs of our markets.

The Indian Pharmaceutical Industry has witnessed a lot of turmoil in the past year in terms of pricing regulations, cloud on irrational combinations, trade related issues & other regulatory issues. The rate at which, new introductions were being launched a couple of years back has also slowed down. In spite of all these hurdles, the Indian Pharmaceutical Industry is still growing at a Compounded Annual Growth Rate of 12%.

The new drug price control regime enacted vide Drug Price Control Order (DPCO), 2013 has become law from May' 2013. The new DPCO is based on average market pricing of top 99% formulators as against cost based pricing under old DPCO 1995. The number of formulations of our Company covered under price control has doubled under new DPCO whereas percentage of formulations covered under price control has increased over six fold under new DPCO 2013. The impact of new DPCO on pricing of various companies in the industry would differ from company to company depending upon their basket of formulations.

6. SEGMENT-WISE / PRODUCT-WISE PERFORMANCE

a. MARKETING

Your Company is ranked at 25th position, recording a growth of 3.1% and attaining a market share of 1.07% (Source: AIOCD Pharmasofttech AWACS Private Limited- Moving Annual Total Turnover- March 2014).

The various steps initiated by the Company have resulted in improving the performance of the Company. The Company continues its efforts to improve the performance through operational efficiencies by way of enlarging geographical coverage.

Your Company's Pioneer Oral Rehydration Salts (ORS)- Electral is the No.1 ORS Brand in the market. Newly introduced Calcium-Phosphorus Supplement, Calyumm-P suspension was launched at Paediatricians with much aplomb. Calyumm-P with its unique name & yummy flavour was well accepted and appreciated and was able to garner a good prescriber base at Paediatricians in the very first year of its launch.

Your Company's premium brand Zocon 150 grew by 47% and has become the fastest growing brand among top ten Fluconazole brands (Source: AIOCD Pharmasofttech AWACS Private Limited-Moving Annual Total Turnover- March 2014).

b. RESEARCH & DEVELOPMENT

i. FORMULATIONS

FDC's capabilities of research and innovation are an important component of its strategy for sustainable growth. Focus of Pharmaceutical Research is on

creation of value added dosage forms to improve the patient convenience, compliance and therapy. FDC is committed to further strengthen its R & D base to develop niche products for both domestic and global markets and augment the organization's business goals. We have created a state of the art research facility for development and validation of pelletization technique based products. Two products based on pelletization techniques were developed.

Two generics products got approval from European regulatory agencies. A number of products were developed for registration in CIS, African countries and ROW.

ii. SYNTHETICS

Your Company's 'Research & Development – Synthetics' centre, set up in the year 1972, is a state-of-the-art facility with a well equipped Organic Chemistry and Analytical Chemistry Laboratory. The Organic Chemistry Laboratory has an aggressive and ambitious Active Pharmaceutical Ingredient (API) development program. Through the API development program, the Company has developed 3 APIs for commercial scale, several APIs are in advanced stages of commercialization and a research and development program for new APIs is also underway.

R&D Centers at Jogeshwari and Roha (Dist. Raigad), duly recognized by the Department of Science & Technology, carry out research and development in reducing the lead time of processes, making the processes more efficient and cost effective. In addition, constant evaluation of cheaper alternative raw materials meeting regulatory requirements for improving productivity and cost effectiveness is also studied.

Apart from sustaining the current APIs, the Company plans to continue to develop new and cost effective APIs, study the feasibility of new manufacturing processes, for existing APIs and optimization of process parameters with respect to quality and cost control.

iii. NUTRACEUTICALS

Your Company's reputed energy drink "Enerzal" has grown by 14% viz-a-viz market growth of 1% (Source: AIOCD Pharmasofttech AWACS Private Limited-Moving Annual Total Turnover- March 2014).

Your Company is also in the process of launching "Enerzal" in PET bottles (Orange and Apple Flavour).

After the successful launch of its infant milk substitute MUM MUM 1, your Company is in the process of launching MUM MUM 2, a specially developed infant milk substitute for infants between six months to one year taking into account the nutritional needs of the infants.

The Company has successfully completed HACCP Recertification Audit and ISO22000:2005 Surveillance audit for Roha plant.

iv. BIOTECHNOLOGY

As reported to you earlier, with regard to the license technology agreement signed by your Company with an Israel based Company, for production and purification of recombinant protein licensed to FDC, we have received permit letter from department of Biotechnology to approach Drug Controller General of India (DCGI) for approval to conduct appropriate phase of Human Clinical Trials. Your Company is in the process of finalizing cGMP approved external facility to conduct manufacturing of our clinical grade recombinant protein that can then be used for Human Clinical trials.

Your Company has also been granted a patent entitled "Method for Determining the Potency of G-CSF" by Indian patent office.

c. EXPORTS

Developed markets such as UK, US & Australia are driving growth in the generics segment. We continue to rely upon our strengths viz. wide portfolio of Ophthalmic products, Anti-diarrheal, Anti-bacterial, dermatological prescription products and product promotion skills to execute our international plans, while we slowly gain expertise in handling tender/government business in each of the countries we are present in. We have registered an Export Sales turnover of Rs. 11,382.20 Lacs for the year ended March 31, 2014 with a growth of 19.30% over last year's turnover of Rs. 9,541.05 Lacs.

Apart from the developed markets, we have established a good presence in other fast growing markets like Ukraine, Africa, South East Asia and Latin America.

Going forward, we will strongly focus on USA, Canada, Australia, Latin America, South-East Asia, South Africa and the CIS region to register growth in the international markets.

d. INTELLECTUAL PROPERTY

Your Company has been honored by the Pharmaceuticals Export Promotion Council (PHARMEXCIL) with "**NEW CHEMICAL ENTITIES (NCEs) – SILVER AWARD**" on May 21, 2014, for its outstanding contribution in the field of pharmaceutical research by patenting innovations, both in India and abroad, during the year 2012-13. Your Company has received this prestigious PHARMEXCIL award for the third consecutive year. Similarly, your Company has also shown its presence in Indian Drug Manufacturers' Associations (IDMA) by achieving the "**BEST NEW CHEMICAL ENTITY PATENT AWARD 2012-13**" on

January 4, 2014, in recognition and appreciation of its best granted patents for innovative research in India and globally, during the year 2012-13.

7. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company has clearly laid down policies, guidelines and procedures that form part of internal control system, which provide for checks and balances. Your Company has maintained a proper and adequate system of internal controls. This is to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition, and that transactions are authorized, recorded and reported diligently. Your Company's internal control systems are commensurate with the nature and size of its business operations.

8. HUMAN RESOURCES

The overall industrial and employee relations remained healthy. Information as per Section 217(2A) of the Companies Act, 1956, read with Companies (Statement of Particulars of Employees) Rules, 1975, forms a part of this report. However, as per the provisions of Section 219(1)(b)(iv) of the said Act, this report and the accounts are being sent to all shareholders excluding the particulars of employees under Section 217(2A). Any shareholder interested in obtaining a copy of the statement may write to the secretarial department at the corporate office of the Company.

9. CAUTIONARY NOTE

Certain statements in respect to Management Discussion and Analysis Report may be forward looking and are stated as required by the applicable laws and regulations. The future results of the Company may be affected by many factors, which could be different from what the Directors envisage in terms of future performance and outlook.

ANNEXURE A

Information pursuant to the Companies (Disclosure of Particulars in the Report of the Board of Directors) Rules, 1988, forming part of the report of the directors for the year ended March 31, 2014.

A. CONSERVATION OF ENERGY

a. Energy conservation measures undertaken at various plants

- Replaced old window/split air conditioners with energy efficient inverter based technology air conditioners.
- Old window / split lower capacity air conditioners replaced with new energy efficient star rating air conditioners.
- Variable frequency drives are installed for HVAC applications.
- New energy efficient Trane chiller procured for centralized air conditioning.
- New energy efficient air compressor procured with HOC type dryer.
- Evaporative cooling introduced for comfort air conditioning.
- New energy efficient fluidized bed boiler procured with auto firing mechanism.

b. Proposals for energy conservation

- Energy efficient centralized air conditioners will be used in place of normal split or window air conditioners for upcoming projects.
- Old air conditioner used for comfort air conditioning will be changed to energy efficient inverter air conditioners.
- Installation of solar photovoltaic modules in phases at plants in Maharashtra.
- Old steam boiler with external furnace to be replaced with auto feed briquette fired boiler.

c. Impact of the measures of (a) and (b)

The adoption of energy conservation measures of the type indicated above has resulted in significant savings.

d. Total energy consumption and energy consumption per unit of production as per Form A

Since pharmaceutical production comprises of wide variety of products, each requiring different compositions and mix, the compilation of consumption per unit of production is not feasible.

B. TECHNOLOGY ABSORPTION

FORM B

Form for disclosure of particulars with respect to absorption of Research & Development (R&D)

a. Specific areas in which R&D is carried out by the Company

- Process development and improvement for the existing range of products such as Flurbiprofen, Brimonidine Tartarate, Rupatadine Fumarate, Olopatadine, Salbutamol sulphate and Latanoprost.
- New Process development for APIs such as Bimatoprost, Betaxolol, Telmisartan, Tioconazole, Duloxetine etc are underway.
- In house developed cell line based assays for testing of new chemical entities for anticancer activity.
- Development of biotherapeutics such as colony stimulating factor and third generation thrombolytics

using recombinant DNA based technology.

- Development of Generic APIs and their intermediates.
- Development of processes to synthesize enantio pure drugs.
- Synthesis of new chemical entities and lead compounds.
- Development of Analytical methods for APIs which have not been listed in Pharmacopeia

b. Benefits derived as a result of the R&D activities

- Designed cost effective process. Reduction in time cycles of conversion and raw material consumption.
- Improvement in quality and yields of the product.
- Substitute for Import.
- Patent granted by Indian patent office for Novel use of human cell line for biological assay of our recombinant product.
- Environmental friendly coating system for products.

c. Future plan of action

- To continue to design economically viable sequences to manufacture Active Pharmaceutical Ingredients (APIs) with local as well as export potential.
- Development of APIs based on patent expiry.
- To file process and product patents.
- Cell culture related projects such as testing of new chemical entities for anticancer activity.

AUDITORS' CERTIFICATE

To
The Members of FDC Limited

We have examined the compliance of conditions of corporate governance by FDC Limited ('the Company') for the year ended on March 31, 2014, as stipulated in clause 49 of the Listing Agreement of the said Company with the stock exchanges.

The compliance of conditions of corporate governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreement.

We further state that such compliance is neither an assurance as to future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of FDC Limited

Report on the Financial Statements

We have audited the accompanying financial statements of FDC Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2014, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards notified under the Companies Act, 1956, read with General Circular 8/2014 dated 4th April 2014 issued by the Ministry of Corporate Affairs. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Companies Act, 1956 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March 2014;
- (b) in the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that:
 - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;

- (c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement comply with the Accounting Standards notified under the Act, read with General Circular 8/2014 dated 4th April 2014 issued by the Ministry of Corporate Affairs;
- (e) On the basis of written representations received from the directors as on 31st March 2014, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2014, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Act.

1. SIGNIFICANT ACCOUNTING POLICIES

a. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared under the historical cost convention, except for certain fixed assets, which were revalued on 30th September 1993 (Refer Note No. c below) and in case of assets where a provision is made for impairment losses, on accrual basis and are in accordance with the requirements of the Companies Act, 1956 and comply with the accounting standards notified by the Companies (Accounting Standards) Rules, 2006 (as amended). The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

b. USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles in India requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities as at the date of financial statements and the result of operations during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

c. TANGIBLE FIXED ASSETS

All fixed assets other than revalued assets are stated at cost less accumulated depreciation / amortisation less impairment losses. Cost comprises of the purchase price and any other directly attributable costs of bringing the assets to its working condition for its intended use. Adjustments arising from exchange rates variances relating to liabilities attributable to fixed assets are taken to the Statement of Profit and Loss.

Leasehold Land, buildings, major items of plant and machinery and research and development equipment at Jogeshwari and Roha were revalued on 30th September 1993 on the basis of the report of an approved valuer. Difference between the book value and the value as per valuer's report amounting to Rs. 730.70 lacs was transferred to Revaluation Reserve during the year ended 31st March 1994. These fixed assets are stated at revalued amounts less accumulated depreciation.

d. DEPRECIATION/AMORTISATION/IMPAIRMENT

Depreciation on the historical cost of tangible fixed assets is provided on straight line method at the rates and in the manner prescribed under Schedule XIV to the Companies Act, 1956 except for the below mentioned assets where higher rates are considered based on the useful life of the assets as estimated by the management:

ASSETS	RATES
Laboratory testing machines	10.00%
R & D equipments	10.00%
Vehicles	16.67%

Depreciation on revalued portion of fixed assets is calculated on straight line method over balance useful life of assets as determined by the valuer and is transferred from Revaluation Reserve to the Statement of Profit and Loss.

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/ external factors. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of the money and risks specific to the assets.

After recognition of impairment loss, the depreciation charge for the asset is adjusted in future periods to allocate the asset's revised carrying amount, less its residual value (if any), on straight line basis over its remaining useful life.

A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

Assets costing less than Rs. 5,000 are depreciated at the rate of hundred per cent.

Leasehold land/ improvements are amortised on a straight line basis over the period of lease ranging from 30 to 99 years.

e. INTANGIBLE ASSETS*Technical know-how*

Technical know-how which are acquired, are capitalised and amortised over the period of its estimated useful life as estimated by the management on a straight line basis, not exceeding ten years.

Marketing Rights and Software

Cost relating to marketing rights and software, which are acquired, are capitalized and amortised over the period of its estimated useful life as estimated by the management on a straight line basis, not exceeding ten years.

f. INVESTMENTS

Investments that are readily realisable and intended to be held for not more than a year from the reporting period are classified as Current Investments. These are valued at lower of cost and fair value (repurchase price or market value) on an individual item basis.

Investments other than current are classified as Non-Current Investments which are valued at cost less provision for diminution in value, other than temporary, if any.

g. INVENTORIES

Raw materials and packing materials are valued at lower of cost and net realisable value, cost of which includes duties and taxes (net off CENVAT and VAT, wherever applicable) and is arrived at on weighted average cost basis. Cost of imported raw materials and packing materials lying in bonded warehouse includes customs duty. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

Finished products including traded goods and work-in-progress are valued at lower of cost and net realisable value. Cost is arrived at on weighted average cost basis. Cost of finished products and work-in-progress includes material cost, labour, direct expenses, production overheads and excise duty, where applicable.

h. REVENUE RECOGNITION

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from sale of goods is recognised when significant risks and rewards of ownership are transferred to customers, which coincides with dispatch of goods to customers. The Company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of the liability arising during the year.

Dividend is recognised when the Company's right to receive the payment is established by the balance sheet date.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Other income is accounted for on accrual basis except where the receipt of income is uncertain.

i. FOREIGN CURRENCY TRANSLATION/ TRANSACTIONS

Transactions in foreign currency are recorded at the rates prevailing on the date of the transaction.

Monetary assets and liabilities denominated in a foreign currency outstanding at the year end are restated at the year end exchange rates. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences arising out of settlement and restatement of foreign exchange monetary items are taken to the Statement of Profit and Loss.

The premium or discount arising at the inception of forward exchange contracts is amortised as expense or income over the life of the contract. Exchange differences on such contracts are recognised in the Statement of Profit and Loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or expense for the year.

j. GOVERNMENT GRANTS

Grants and subsidies from the government are recognised when there is reasonable assurance that the grant/ subsidy will be received and all attaching conditions will be complied with.

Government grants received as capital incentives/ subsidies are credited to Capital Reserve. Government grants related to revenue is recognised on a systematic basis in the Statement of Profit and Loss over the periods necessary to match them with the related costs which they are intended to compensate.

Government grants relating to specific fixed assets are disclosed as deduction from the gross value of the assets concerned.

k. EMPLOYEE BENEFITS

Company's contribution to recognised provident fund, family pension fund and superannuation fund is defined contribution plan and is charged to the Statement of Profit and Loss on accrual basis. The Company recognises contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. There are no other obligations other than the contribution payable to the respective trusts.

Contribution to gratuity fund is defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year.

Short term compensated absences are provided for based on estimates. Long term compensated absences are provided for based on actuarial valuation. The actuarial valuation is done as per projected unit credit method.

Actuarial gains/ losses are immediately recognised in the Statement of Profit and Loss.

l. RESEARCH AND DEVELOPMENT

Revenue expenditure is charged off to Statement of Profit and Loss in the year in which it is incurred.

m. LEASE ACCOUNTING

Leases where substantially all the risks and benefits of ownership are retained by the lessor, are classified as operating leases. Operating lease expenses/ income is recognised in the Statement of Profit and Loss on a straight line basis over the lease term.

n. EARNING PER SHARE

Basic earning per share is computed by dividing the net profit after tax attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year.

Diluted earning per share is computed by dividing the net profit after tax attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, if any.

o. ACCOUNTING FOR TAXES ON INCOME

Tax expense comprises of current and deferred tax. Provision for current tax is made, based on the tax payable under the Income-tax Act, 1961. Deferred tax assets and liabilities from timing differences between taxable income and accounting income is accounted for using the tax rates and the tax laws enacted or substantially enacted as on the balance sheet date.

At each balance sheet date, the Company reassesses unrecognised deferred tax assets. Deferred tax assets are recognised only to the extent that there is a reasonable certainty of their realisation. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

MAT credit is recognised as an asset when there is convincing evidence that the Company will pay normal income tax during the specified period. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income tax during the specified period.

p. PROVISIONS AND CONTINGENCIES

The Company creates a provision when there exist a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

q. CASH AND CASH EQUIVALENTS

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

Auditor's Report on the Consolidated Financial Statements of FDC Limited _____

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of FDC Limited

We have audited the accompanying consolidated financial statements of FDC Limited ("the Company") and its subsidiaries and its joint venture, which comprise the Consolidated Balance Sheet as at 31st March 2014, and the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and presentation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall

presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Consolidated Balance Sheet, of the state of affairs of the Company as at 31st March 2014;
- (b) in the case of the Consolidated Statement of Profit and Loss, of the profit for the year ended on that date; and
- (c) in the case of the Consolidated Cash Flow Statement, of the cash flows for the year ended on that date.

Other Matter

We did not audit total assets of Rs. 2,272.64 lacs as at 31st March 2014, total revenues of Rs. 2,101.46 lacs and net cash outflows amounting to Rs. 57.74 lacs for the year then ended, included in the accompanying consolidated financial statements in respect of all subsidiaries and a joint venture, whose financial statements and other financial information have been audited by other auditors and whose reports have been furnished to us. Our opinion, in so far as it relates to the affairs of such subsidiaries and a joint venture is based solely on the report of other auditors. Our opinion is not qualified in respect of this matter.

1. SIGNIFICANT ACCOUNTING POLICIES

a. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The consolidated financial statements have been prepared and presented under the historical cost convention, except for certain fixed assets of FDC Limited which were revalued on 30th September 1993 (Refer Note d below) and in case of assets where a provision is made for impairment losses, on accrual basis and are in accordance with the requirements of the Companies Act, 1956 and comply with the accounting standards notified by the Companies (Accounting Standards) Rules, 2006 (as amended) and to the extent possible in the same format as that adopted by the parent company (FDC Limited) for its separate financial statements. The accounting policies are generally uniform for the Group and are consistent with those used in the previous year.

b. USE OF ESTIMATES

The preparation of consolidated financial statements in conformity with generally accepted accounting principles in India requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and the disclosure of contingent liabilities as at the date of financial statements and the result of the operations during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

c. BASIS OF CONSOLIDATION

The consolidated financial statements include the financial statements of FDC Limited ("the Company"), the parent company, all of its subsidiaries and its joint venture (collectively referred to as "the Group"). The consolidated financial statements of the Group have been consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses in accordance with Accounting Standard 21 - "Consolidated Financial Statements". The Group accounts for its proportionate share of interest in the joint venture companies by proportionate consolidation method in accordance with Accounting Standard 27 - "Financial Reporting of Interests in Joint Ventures". The accounting policies have been consistently applied by the Group during the year. The financial statements of all subsidiaries and joint venture companies are drawn upto the same date as the parent company.

In the preparation of consolidated financial statements, all significant intra-group transactions and accounts are eliminated. Unrealised profits, if any, on items carried in inventories are also eliminated from the consolidated financial statements. Unrealised losses resulting from intra-group transactions have also been eliminated except to the extent that recoverable value of related assets is lower than their cost to the Group.

The excess of cost of investment in the subsidiaries/ joint venture companies over the share of equity in the subsidiaries/ joint venture companies at the respective dates of investment is recognised in the financial statements as Goodwill and the same is charged off during the year of acquisition. The excess of share of equity in the subsidiaries/ joint venture companies over the cost of acquisition in the subsidiaries/ joint venture companies at the respective dates of investment is recognised in the financial statements as Capital Reserve. The share of equity in such subsidiaries/ joint venture companies is determined on the basis of the latest financial statements of the subsidiaries/ joint venture companies prior to the date of investment.

d. TANGIBLE FIXED ASSETS

All fixed assets other than revalued assets are stated at cost less accumulated depreciation/ amortisation less impairment losses. Cost comprises of the purchase price and any other directly attributable costs of bringing the assets to its working condition for its intended use. Adjustments arising from exchange rates variances relating to liabilities attributable to fixed assets are taken to the Statement of Profit and Loss.

Leasehold land, buildings, major items of plant and machinery and research and development equipments of FDC Limited at Jogeshwari and Roha were revalued on 30th September 1993 on the basis of the report of an approved valuer. Difference between the book value and the value as per valuer's report amounting to Rs. 730.70 lacs was transferred to Revaluation Reserve during the year ended 31st March 1994. These fixed assets are stated at revalued amounts less accumulated depreciation.

e. DEPRECIATION/ AMORTISATION/ IMPAIRMENT

FDC Limited

Depreciation on the historical cost of tangible fixed assets is provided on straight line method at the rates and in the manner prescribed under Schedule XIV to the Companies Act, 1956 except for the below mentioned assets where higher rates are considered based on the useful life of the assets as estimated by the management:

ASSETS	RATES
Laboratory testing machines	10.00%
R&D Equipments	10.00%
Vehicles	16.67%

Depreciation on revalued portion of fixed assets is calculated on straight line method over balance useful life of assets as determined by the valuer and is transferred from Revaluation Reserve to the Statement of Profit and Loss.

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/ external factors. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of the money and risks specific to the assets.

After recognition of impairment loss, the depreciation charge for the asset is adjusted in future periods to allocate the asset's revised carrying amount, less its residual value (if any), on straight line basis over its remaining useful life.

A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

Assets costing less than Rs. 5,000 are depreciated at the rate of hundred per cent.

Leasehold land/ improvements are amortised on a straight line basis over the period of lease ranging from 30 to 99 years.

Subsidiaries/ Joint venture companies

Depreciation is provided on cost less estimated residual value of fixed assets over their expected useful lives following reducing balance method/ straight line method.

f. INTANGIBLE ASSETS

FDC Limited

Technical know-how

Technical know-how which are acquired, are capitalised and amortised over the period of its estimated useful life as estimated by the management on a straight line basis, not exceeding ten years.

Marketing Rights and Software

Cost relating to marketing rights and software, which are acquired, are capitalised and amortised over the period of its estimated useful life as estimated by the management on a straight line basis, not exceeding ten years.

Subsidiaries/ Joint venture companies

Dossiers

Dossiers are recorded at the consideration paid for acquisition and are amortised over the period of its estimated useful life, not exceeding ten years.

g. INVESTMENTS

Investments that are readily realisable and intended to be held for not more than a year from the reporting period are classified as Current Investments. These are valued at lower of cost and fair value (repurchase price or market value) on an individual item basis.

Investments other than current are classified as Non-Current Investments which are valued at cost less provision for diminution in value, other than temporary, if any.

h. INVENTORIES

Raw materials and packing materials are valued at lower of cost and net realisable value, cost of which includes duties and taxes (net off CENVAT and VAT, wherever applicable) and is arrived at on weighted average cost basis. Cost of imported raw materials and packing materials lying in bonded warehouse includes customs duty. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

Finished products including stock-in-trade and work-in-progress are valued at lower of cost and net realisable value and cost is arrived at on weighted average cost basis. Cost of finished products and work-in-progress includes material cost, labour, direct expenses, production overheads and excise duty, where applicable.

i. REVENUE RECOGNITION

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from sale of goods is recognised when significant risks and rewards of ownership are transferred to customers, which coincides with dispatch of goods to customers. The Company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the Company, hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of the liability arising during the year.

Dividend is recognised when the Company's right to receive the payment is established by the balance sheet date.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Other income is accounted for on accrual basis except where the receipt of income is uncertain.

j. FOREIGN CURRENCY TRANSLATION/ TRANSACTIONS

Transactions in foreign currency are recorded at the rates prevailing on the date of the transaction.

Monetary assets and liabilities denominated in a foreign currency outstanding at the year end are restated at the year end exchange rates. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences arising out of settlement and restatement of foreign exchange monetary items are taken to the Statement of Profit and Loss.

The premium or discount arising at the inception of forward exchange contracts is amortised as expense or income over the life of the contract. Exchange differences on such contracts are recognised in the Statement of Profit and Loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or expense for the year.

The financial statements of the foreign subsidiaries and the joint venture companies are translated into Indian Rupees as follows:

Non-integral foreign operations:

- Income and expense items except opening and closing inventories are translated at the average exchange rate for the year. Opening and closing inventories are translated at the rates prevalent at the commencement and close respectively of the accounting period.
- All assets and liabilities are translated using the closing exchange rate.
- The differences on translation including those arising on elimination of non-monetary intra-group balances and transactions are taken to Translation Reserve as a part of Reserves and Surplus.
- The differences arising on elimination of monetary intra-group balances and transactions are taken to the Consolidated Statement of Profit and Loss.

Integral foreign operations:

- Income and expense items except opening and closing inventories are translated at the average exchange rate for the year.
- All monetary assets and liabilities are translated using the closing exchange rate.
- All non-monetary assets and liabilities, other than inventories, are translated using the exchange rate at the date of their acquisition.
- The differences on translation including those arising on elimination of intra-group balances and transactions are taken to Consolidated Statement of Profit and Loss.

k. GOVERNMENT GRANTS

Grants and subsidies from the government are recognised when there is reasonable assurance that the grant/ subsidy will be received and all attaching conditions will be complied with.

Government grants received as capital incentives/ subsidies are credited to Capital Reserve. Government grants related to revenue is recognised on a systematic basis in the Statement of Profit and Loss over the periods necessary to match them with the related costs which they are intended to compensate.

Government grants relating to specific fixed assets are disclosed as deduction from the gross value of the assets concerned.

l. EMPLOYEE BENEFITS

Company's contribution to recognised provident fund, family pension fund and superannuation fund is defined contribution plan and is charged to the Statement of Profit and Loss on accrual basis. There are no other obligations other than the contribution payable to the respective trusts.

Contribution to gratuity fund is defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year.

Short term compensated absences are provided for based on estimates. Long term compensated absences are provided for based on actuarial valuation. The actuarial valuation is done as per projected unit credit method.

Actuarial gains/ losses are immediately recognised in the Statement of Profit and Loss.

m. RESEARCH AND DEVELOPMENT

Revenue expenditure is charged off to the Statement of Profit and Loss in the year in which it is incurred.

n. LEASE ACCOUNTING

Leases where substantially all the risks and benefits of ownership are retained by the lessor, are classified as operating leases. Operating lease expenses/ income is recognised in the Statement of Profit and Loss on a straight line basis over the lease term.

o. EARNING PER SHARE

Basic earning per share is computed by dividing the net profit after tax attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year.

Diluted earning per share is computed by dividing the net profit after tax attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, if any.

p. ACCOUNTING FOR TAXES ON INCOME

Tax expense comprises of current and deferred tax. Provision for current tax is made, based on the tax payable under the Income-tax Act, 1961. Deferred tax assets and liabilities from timing differences between taxable income and accounting income is accounted for using the tax rates and the tax laws enacted or substantially enacted as on the balance sheet date.

At each balance sheet date, the Company reassesses unrecognised deferred tax assets. Deferred tax assets are recognised only to the extent that there is a reasonable certainty of their realisation. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

MAT credit is recognised as an asset when there is convincing evidence that the Company will pay normal income tax during the specified period. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

q. PROVISIONS AND CONTINGENCIES

The Company creates a provision when there exist a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

r. CASH AND CASH EQUIVALENTS

Cash and cash equivalents for the purposes of Cash Flow Statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.
